HWC 088-H08 Wai 970-Williams C 18<sup>th</sup> June 2002 Evidence on behalf of claimants and descendants of Tamatepo

- 1. My Name is Carolyn Williams.
- 2. I Descended from Tamatepo on my Father's side.
- 3. I was born in Coromandel.
- 4. My Nanny was Hera Maraea Tauteka.
- 5. I am 3rd child born to my Father Billy Wi. I came along after the war when dad worked on a farm in Waikawau Bay were my oldest sister and I were bom.
- 6. While I was growing up in the Colville area, I had my Nana, Aunties, Uncles and extended whanau, who told me of my Whakapapa, to Ngati Rongo-U iwi. As a child in the company of my elders I had freedom to gather kai moana, hunt on the land, camp and enjoy the use of our Whenua.
- 7. From the age of 15 my family lived and worked in Auckland. I married and had children. At various times I brought my children home for Holidays. Access to the whenua was not free as it was when I was younger but the holidays were still enjoyable.
- 8. In Auckland as my older children married and left home, I felt the need to return home as did my Father, Mother, Sister and older brother also returned home.
- 9. When my whanau returned to the Coromandel, we felt like strangers in our own whenua as there were no records or memory of our extended whanau being here.
- 10. An example of which was a planned family reunion at Waiaro X-mas 2000, at what used to be our favourite holiday place when we were children. It was at Ngati Rongo-U Reserve. 8 of our whanau group arrived from Auckland to join the Coromandel whanau for the reunion.
- 11. After being at Waiaro for several hours, Marcus Ward who's Father had happily let us stay there since I was a child, arrived with the police to have us evicted which caused loss of mana to our elders who had organised the reunion.

- 12. Since then I have gone out to find out what happened to stop us from using places we had always used.
- 13. I felt intense anger and deeply hurt that ancestral land no longer belonged to the whanau. Nothing in the past prepared me for this.
- 14. For the first time I experienced what it felt like to be Maori.
- 15. This single event galvanised me into action. I contacted other Rongo-U whanau and this is why I stand here today for my iwi.
- 16. I hope the crown recognises the pain that the loss of whenua in the 1870's is still causing today for our hapu of Ngati Rongo-U
